

**ALLE FARBEN**

# Bio

With over 100 shows a year at some of the most spectacular locations across the globe, as well as a string of high profile nominations including the 'Dance National' award for Echo, the '1LIVE Krone' award as well as 'Newcomer to Star' at the Newcomer Contest Bayern, Frans Zimmer a.k.a Alle Farben (English: «all colors») has continued to have phenomenal musical success over the past few years.

His unique sound has been key to his success as an artist, with 2014 being a career highlight with the launch of his first album 'Synesthesia', achieving huge praise in Germany, Austria and Switzerland and providing a platform for his future domination across the dance music landscape. Included on the album was his monumental debut track 'She Moves', achieving platinum status with 18 million views on YouTube and almost 2 million on Soundcloud, as well as receiving support from the likes of Moguai, Roger Shah and more. 2015 saw him release one of the tracks of the summer titled 'Supergirl' with YOUNOTUS and Anna Naklab, achieving Platinum status in Germany and Poland, as well as Gold status in Spain, Austria and Switzerland.
